

Good Days

Chris Mann

Waking up to another morning
Sun is shining in California
Mostly I don't mind it, but I
Find my mind rewinding
To snowy days in New York City
I was young, the world was willing
Running through the night, yeah
Damn, that was the life

Ooh, seasons show me
That I can change
And that's okay
Ooh, nothing's ever
Gon' stay the same
Anyway

I ain't giving up, I'm not looking back
Take another drink, raise your hourglass
To the glory, glory, glory days
I'm not growing up, living for the past
Ain't forever young, it don't matter
'Cause we ain't finished yet
We still got good days left

If I done knew where this world was leading
But every moment and dream that
Didn't go my way, yeah, yeah, yeah
Well, that's the shit that made me, made me
We do our best and that's good enough
What it is isn't what it was
Might as well believe yeah, yeah, yeah
That it's what it needs to be

Ooh, seasons show me
That I can change (I can change)
And that's okay (and that's okay)
Ooh, nothing's ever
Gonna stay the same (yeah, yeah)
Anyway (anyway)

I ain't giving up, I'm not looking back
Take another drink, raise your hourglass
To the glory, glory, glory days
(To the glory, glory days, yeah)
I'm not growing up, living for the past
Ain't forever young, it don't matter
'Cause we ain't finished yet (no)
We still got good days left (hey)

Glory, glory, glory days (glory, glory)
No, we ain't finished yet
We still got good days left (yeah)

Glory days, yeah
We still got good days left

We ain't giving up, I'm not looking back

Take another drink, raise your hourglass
To the glory, glory, glory days (glory days)
I'm not growing up, living for the past
Ain't forever young, it don't matter
'Cause we ain't finished yet
We still got good days left

Glory, glory, glory days
Glory, glory, glory days
Glory, glory, glory days
No, we ain't finished yet
We still got good days left
