Chris Mann

Oh, ohhh, ohhh, ohhh, ohhh, oh, ohhh, ohhh ,ohhh,  
Oh, ohhh, ohhh, ohhh, ohhh, oh, ohhh, ohhh, ,ohhh

L.O.V.E it's our electricity you know  
L.O.V.E it's running inside of me it shows, it shows  
So come on, come on, come on, come on  
come on, come on, come on, come on I feel it (feel it)  
I feel it (feel it)  
You're the one, the one, the one, the one  
So come on, come on, come on, come on  
I need you  
Oh I need you

Why look for anything but love, love baby  
Cuz i can't see anything but love  
And love is all we need  
Oh, ohhh, ohhh, ohhh, ohhh, oh, ohhh, ohhh, ohhh,  
Oh, ohhh, ohhh, ohhh, ohhh, oh, ohhh, ohhh, ohhh

L.O.V.E it's the spark of you and me you know, you know  
I said L.O.V.E it's the heart of everything it shows, it shows  
So come on, come on, come on, come on  
come on, come on, come on, come on I feel it (feel it)  
I feel it (feel it)  
You're the one, the one, the one, the one  
So come on, come on, come on, come on  
I need you  
Oh I need you, yeah

Why look for anything but love, love baby  
I can't see anything but love  
And love is all we need  
Why look for anything but love, love (Baby)  
Cuz I can't see anything but love  
And love is all we need

There's magic in those lips  
There's fire in those moving hips  
So reach out and touch me with your lightning fingertips  
Yeah, yeah, yeah  
(Said L.O.V.E)  
Said L.O.V.E  
Ohhh, oh, ohhh, ohhh, ohhh, ohhh, oh, ohhh, ohhh

Why look for anything but love, love Baby  
Cuz i can't see anything but love, yeah, (love), yeah, yeah  
(L.O.V.E)  
Why look for anything but love, love baby, yeah  
Cuz I can't see anything but love  
And Love is all we need  
Oh, ohhh, ohhh, ohhh, ohhh, oh, ohhh, ohhh, ohhh,  
Oh, ohhh, ohhh, ohhh, ohhh, oh, ohhh, ohhh, ohhh  
Oh, ohhh, ohhh, ohhh, ohhh, oh, ohhh, ohhh, ohhh,  
Oh, ohhh, ohhh, ohhh, ohhh, oh, ohhh, ohhh, ohhh
