

Noise!

Chris Mann

You wanna shut me up forever
You want my generation over
We're gonna scream out even louder
I think I kinda like the sound yeah

You're hoping I'll get tired, say bye-bye
I'm not sorry 'bout it
Not going quiet, going silent
I'm not sorry 'bout it
This is the start of the fire
Lemme tell ya
We're never gonna, never gonna stop

I wanna make some noise, noise
Lemme hear you scream, lemme hear you shout
Come on make some noise, noise
Take it to the street, never turn it down (let's go)

Make some noise
I wanna make some noise
I wanna make some, noise
I wanna make some noise
I wanna make some noise
I wanna make some, noise

I wanna wake up all the neighbors
I wanna show you what I'm made of
If you feel me put your hands up
'Cause now's the time we gotta stand up

Put it up to 10, back again
I'm not sorry 'bout it
And don't forget, I ain't dead
I'm not sorry 'bout it
So come on dance, clap your hands
Can you feel it
We're never gonna, never gonna stop

I wanna make some noise, noise
Lemme hear you scream, lemme hear you shout
Come on make some noise, noise
Take it to the street, never turn it down (let's go)

Make some noise
I wanna make some noise
I wanna make some, noise
I wanna make some noise
I wanna make some noise
I wanna make some, noise

I wanna make some noise
Can't shut me up
Can't shut me up
Make some noise
Can't shut me up
Can't shut me up

Make some noise
I wanna make some noise
I wanna make some, noise
I wanna make some noise
I wanna make some noise
I wanna make some, noise
Make some noise
I wanna make some noise
I wanna make some, noise
I wanna make some noise
I wanna make some noise
I wanna make some, noise

I wanna make some noise
Can't shut me up
Can't shut me up
Make some noise
You can't shut me up
