

Old Fashioned

Chris Mann

They all wanna talk about us
But they'll never know about us
Don't care 'cause it's all about us
You know it, I know it
All that we need is each other
You and me, mmh

These days everybody's swipin'
Tryna find one for the night, yeah
Baby, we matched for life, and
You know it, let's slow it
Down, and take in every moment
You and me

You can call it old school, I call it classy
This feelin' ain't a new thing, baby, it's magic
This love ain't gettin' old, oh, no
It's just old fashioned
Call it old fashioned

Sweatpants, gettin' drunk on bourbon
Stay in and we start the flirtin'
Still know how to make me nervous
You know it, I want it
Every way that you'll let me
That chivalry
Yeah, that chivalry, -y, hey

Your love, your love, your love, your love
Your love's like Hathaway, Marvin Gaye
I want, I want, I want, I want
I want the [?] lips on me
Late nights spinnin' vinyl
Happy meal from McDonald's
They don't do this, they don't do this anymore

You can call it old school, I call it classy
This feelin' ain't a new thing, baby, it's magic
This love ain't gettin' old, oh, no
It's just old fashioned
Call it old fashioned
They can say it's not use after awhile
They don't know we never go out of style
This love ain't gettin' old, oh, no
It's just old fashioned
Call it old fashioned

Your love, your love, your love, your love
Your love, it takes me back, Cadillac
I want, I want, I want, I want
I want a piece of that, white and black
Movie at the drive-in
Netflix and we're chillin'
They don't do this, they don't do this anymore, hey

It's just old fashioned
Call it old fashioned

You can call it old school, I call it classy
This feelin' ain't a new thing, baby, it's magic
This love ain't gettin' old, oh, no
It's just old fashioned
Call it old fashioned
They can say it's not use after awhile
They don't know we never go out of style
This love ain't gettin' old, oh, no
It's just old fashioned
Call it old fashioned
