Giving It

Chris Martin

Ooohh... aww ohhh ohh yeah yeah aww ohhh
It's all bout the ladies aw ohhh
It's all about the ladies aw ohhh

Flexing it down the sidewalk
I see the ladies to the east the west the north
The most beautifulest women I saw ooh ooh... oooh
Thinking of the right approach to make
Got to be careful of the steps you suppose to take
I'm a lover I don't need to heart to break no no... no

So mi move to the catty pon mi right
And I say baby be mine tonight
Out of all the shorties I chose you
And if you so desire we can groove
I got my keys let's boogey let's slide
And I got the ride with the leather inside
Yes I got your good good loving in mind
Christoper giving it to you right yea

Christoper giving it, christoper giving it
Christoper giving it (oh), christoper giving it
Christoper giving it to you right (oooh oh)
Giving it to you all night, (christoper is)
Giving it, christoper giving it, christoper giving it
(Giving it baby... ayy) christoper giving it,
Christoper giving it to you right, (ohhh oh)
Giving it to you all night

Waking up to the sunrise with a beautiful lady
By my side, wishing our bodies could collide round 2
With you, your body girl I am feigning make me want
To express my feeling, it's a pity I'm daydreaming
About you ooh ohh

So mi move to the catty pon mi right
And I say baby be mine tonight
Out of all the shorties I chose you
And if you so desire we can groove
I got my keys let's boogey let's slide
And I got the ride with the leather inside
I got your good good loving in mind
Christoper giving it to you right yea

Christoper giving it, christoper giving it
Christoper giving it (ohh ohh... yea),
Christoper giving it (all of my loving)
Christoper giving it to you right
(Giving it baby my love for you)
Giving it to you all night, giving it,
Christoper giving it, (only you baby)
Christoper giving it, christoper giving it,
Christoper giving it to you right,
Giving it to you all night (all for you my loving babe)

Ohhh ohh no, giving it baby, giving my love
My love, baby baby love ahh giving it baby
