

Hotta Than Dem

Chris Martin

None a dem yah gyal yah no hotta than you mi gyal
Gyal yo hotter than dem, hotter than dem

Gyal yo settle like a bucket a water
Yuh no run like no river
An yo never disappoint yo man, wave yo hand an seh never
One man to yo room girl
An yo naw run no shelter
Pat yo body caw yo good, good, never yet thunder the weather
Cause some gyal, some gyal
Some gyal could never walk in your shoes
Dem seh dem put the T inna tight
But baby yo put the crazy front a glue
Dem a take a bag a man but fi get a wedding ban
Dem no know the first thing fi do
Dem cyaa chat to you no

No a dem yah gyal yah, no hotta than you mi gyal
Gyal yo hotta than dem, hotta than dem

No a dem yah gyal yah, no hotta than you mi gyal
Mi seh yo hotta than dem, hotta than dem

Night time come mi waan yo put yo body paw mi
Gyal yo hotter than the sun wa gone in
Mi seh yo hotta than dem, hotta than dem
An anytime wi lock in an the rain falling
Gyal yo body bring the summer warming
So give it to me darling, baby
