

I Can See

Chris Martin

Special selection

Fi all the girls who don't feel appreciated

Dem miss yo birthday and dem don't even wish you belated

This one for you

You've never felt warm in Christmas

Never being someone well in time

You never felt a tender touch as soft as mine

Never being surprise on your birthday

You ex he was so kind

He had major in his life

He was so blind

But I can see, you and me

Girl, loving each other for eternity

Endlessly close to me

Girl, feel like this was men't to be

And I gonna show you

What am gonn a do to you

Your the only harmony for the melody

That am singing
