

# I Do It All

Chris Martin

Ooh, yeah, yeah, yeah  
Ooh, yeah, yeah, yeah, yeah  
Ooh...

Limitless possibilities  
Endless opportunities in my vision  
You're what I see comin' to my reality  
In my analogy, superhuman capabilities  
Are not too farfetched for me  
With these eyes I see  
A beauty that is waiting for me  
To be all I can be  
Girl, you got me soaring up in the clouds, baby

I do it all for you  
I give my all to you  
Baby, my mind, my soul and my body  
Belongs to you  
And I do it all for you  
I give my all to you  
Baby, my mind and my soul and my body  
Belongs to you, yeah

Girl, I'm in a zone that I never been before  
And I think you are the one to blame, believe me  
I got the jones forming deep down in my bones  
And I'm sure that you feel the same, baby

I won't let nothin' or no one keep us down  
I'm deep submerged in this love that I found  
And if they could only see my visions  
They'd see with such precision that I've found love, yeah

I do it all (I do it all)  
For you (For you, baby)  
I give my all to you  
Baby, my mind, my soul and my body  
Belongs to you  
And I do it all for you  
I give my all to you  
Baby, my mind and my soul and my body  
Belongs to you, yeah

Ooh, every part of me belongs to you, baby  
I give it all unconditionally  
All my energy, every part of me, yeah

I do it all (I do it all)  
For you (For you)  
I give my all (I give my all)  
To you  
Baby, my mind, my soul and my body  
Belongs to you (My body belongs to you)  
And I do it all (I do it all)  
For you (Yeah)  
Give my all to you  
Baby, my mind and my soul and my body

Belongs to you, yeah

Ooh, yeah, yeah, ooh, baby  
My mind and my soul (Baby, my mind, and my soul)  
(And my body belongs to you)  
My body belongs to you  
My body belongs to you  
Baby, oh, my, my soul, yeah  
Every part, everything I have inside  
It all belongs to you
