

## Lovers

Chris Martin

Beautiful, beautiful, beautiful  
You are, baby  
You are, baby  
You ready  
And I'm ready  
We fi go steady  
If you ready  
Girl, I'm ready

Girl, you and I should be lovers  
I don't think we should stay friends  
Girl, you and I should be lovers  
And if you'd be my baby, baby, we would never, ever, ever end

I want you, yeah  
You've been the friend that's the best I could ever find  
I trust, you baby  
With all of the deepest of secrets I have inside  
You see my deeds, you know my faults  
You're all I see, you're all up in my thoughts, baby  
Huh, why don't we give it our all, girl?

True love I give you, yeah  
With respect I treat you, yeah  
Your virtue, the spirit is so true  
I promise to protect and honor all that is you, babe

All I need is love, your love  
I place no one above you, girl

So, you and I should be lovers  
I don't think we should stay friends  
Girl, you and I should be lovers  
And if you'd be my baby, baby, we would never, ever, ever end

What's up, baby? (I'm ready)  
What's up, baby? (I'm ready)  
What's up, baby? (Yeah)  
Would you be my lady?

I've been thinkin' about this for some time  
For a while I have wanted to make you mine  
To me you're a queen, you are so divine, so divine

Girl, you and I should be lovers (you and I)  
I don't think we should stay friends (no, no)  
Girl, you and I should be lovers (yeah, yeah, baby)  
And if you'd be my baby, baby, we would never, ever, ever end (it would never end)
