Chat all you want, mi know mi never cheat
You can stay deh talk, God know seh mi never dweet, girl
Chat all you want, ah think you need fi go sleep
You can stay deh talk
You no see your friend ah mad over me, girl

See all the news weh dem a carry
And the text weh dem a send

And all the rumours dem a spread
And a seh you an' dem a frien'
How she a look mi then
She see mi 'pon the road and ask mi if a foreign you gone
And if yo gone fi long mek something gwaan
She see mi inna the club and write her number inna mi palm
And still mi never let her inna mi arm

Chat all you want, mi know mi never cheat
You can stay deh talk, God know seh mi never dweet, girl
Chat all you want, ah think you need fi go sleep
You can stay deh talk

'Cause I'm a faithful man, oh baby
