

Only You

Chris Martin

Oh, I need to know, where we stand
Do we share this special thing called love
I know I do, what about you?
I just can't get enough of your time

I need you in my life
Where do I go, what do I do?
'Cause I can't live without your love
Thinking of you, makes me feel
Like I'm the only one for you

Girl, I want to be with you
No one else, only you
Why can't we just make it happen
Oh baby, I need you in my life

Girl, every time I'm with you
Never want it to come to an end
All this makes me so happy
You'll always have a place in my heart

I need you in my life
Where do I go, what do I do?
'Cause I can't live without your love
Thinking of you, makes me feel
Like I'm the only one

Without you inna mi life, girl
Mi no know weh mi would a do
Waan' fi give you love and affection
But mi nah go pressure you
Gyal, you gooder than gold
That's why mi treasure you
Each an every night mi put pleasure inna you
Mi waan' put mi love inna fi mek it grow
Higher than the sky, weh the dove inna
Oh gyal, a you mi a put mi interest in
(I need you in my life)
Even if mi broke a you mi still a invest in

Girl, I want to be with you
No one else, only you
Why can't we just make it happen
Oh baby, I need you in my life

Oh, I need to know, where we stand
Do we share this special thing called love
I know I do, what about you?
I just can't get enough of your time

(I need you in my life)
Where do I go, what do I do?
'Cause I can't live without your love
Thinking of you, makes me feel
Like I'm the only one for you

Girl, I want to be with you

No one else, only you
Why can't we just make it happen, baby
