

Pirate Of The Caribbean

Chris Martin

This is not my city am just visiting
Am just pillage in the villages
I see two pretty diamonds that I want
I know they gonna give it up
Beautiful girls are my treasure
Looting their hearts is my pleasure
I've sailed across the seven seas
But this is my territory

Cause am a pirate
Pirate of the Caribbean
Yea am a pirate
Pirate of the Caribbean
And I'm the sharpest of blade
Anytime I crusade
Am a pirate, pirate of the Caribbean

Mi slicker than Jack Sparrow
Mi rougher than Black Beard
A my style dem barrow
From Henry Morgan days
Out a Port Royal weh the ship dem dock
Dem know a trouble from the sails dem black
Worst when dem see the skull and bones pon that
From the gyal dem hot man a go launch an attack

Am a pirate
Pirate of the Caribbean
Yea am a pirate
Pirate of the Caribbean
And I'm the sharpest of blade
Anytime I crusade
Am a pirate, pirate of the Caribbean

Sail across the seven seas
My riches go to infinity
All these girls are in love with me
My crew will never switch
Am the captain and this so

Am a pirate
Pirate of the Caribbean
Am a pirate
Pirate of the Caribbean
And I'm the sharpest of blade
Anytime I crusade
Am a pirate, pirate of the Caribbean

Am a pirate
Pirate of...
Am a pirate
Pirate of...
The sharpest of blade
Anytime I crusade
Am a pirate, pirate of the Caribbean
