

Prettiest Thing

Chris Martin

Yeah
Ooh yeah
Ooh, ooh yeah
Ooh, ooh Lord
Darling

If Jah made any woman nicer
He kept her to himself
You're the prettiest thing
Prettiest thing, yeah

Oh, if Jah made any woman better
He kept her in heaven
You're the nicest thing
Nicest thing, yeah

Ooh, the rain is falling
And I am laying in bed all alone
Ooh, oh I wish that I could pull your body through this telephone
Who do you do things that no girl could never do
So I'm gonna put my hear in a little battle just for you
And I'm gonna said it until you come back
I'mma save it just for you
And even though I'm lonely, you can trust that
I'm not gonna cheat on you, no

If Jah made any woman nicer
He kept her to himself
You're the prettiest thing
Prettiest thing, yeah

Oh, if Jah made any woman better
He kept her in heaven
You're the nicest thing
Nicest thing, yeah

Mek mi tell you this woman
Your a vision to my sight
Angel on my earth
I'm glad your in my life, yeah
So amazing

You're the kindest woman, I've ever seen
Paint a pretty picture but your heart is what I feel
Yeah, so real, girl you've been so good to me

If Jah made any woman nicer
He kept her to himself
You're the prettiest thing
Prettiest thing, yeah

Oh, if Jah made any woman better
He kept her in heaven
You're the nicest thing
Nicest thing, yeah

Oh, and I wouldn't change a thing

Never, never, oh no, never, never
You're perfectly made, in every way
Why try to think what's not broken
Why would I, oh no, never, never
Made me believe in angels for real, yeah

If Jah made any woman nicer
He kept her to himself
You're the prettiest thing
Prettiest thing, yeah

Oh, if Jah made any woman better
He kept her in heaven
You're the nicest thing
Nicest thing, yeah

Oh, if Jah made any woman better
He kept her to himself
You're the prettiest thing
Prettiest thing, yeah

Oh, if Jah made any woman better
He kept her in heaven
You're the nicest thing
Nicest thing, yeah

Oh, if Jah made any woman better
He kept her to himself
Prettiest thing, prettiest thing, yeah

Oh, if Jah made any woman better
He kept her in heaven
You're the nicest thing
Nicest thing, yeah

No woman a nicer
No woman a better
Girl, you're the nicest thing
Prettiest, prettiest, yeah
