

# Rain Drops

Chris Martin

Yeah, this is Chris Martin  
(Hmm) Oh my baby, my baby  
My baby, baby, baby (for my boy)  
The rain drops are falling (gonna miss you)  
Rain drops are falling down  
The rain drops fall down (ah), oh baby

I lock down an' wonder, where I went wrong  
Why there's a pillow in the space, where you belong  
I can't see you, but I feel you, you're ?? on  
Reminiscing the times, we made love all night long  
I'm so lonely without you, I wanna call your phone  
Just to say I'm sorry and baby come home  
Stop these tears from falling  
Don't leave me alone (ooh now)  
I'm dying without you, here on my own

Rain drops keep on falling  
And I can't help but calling your name  
Your name, I'm in pain, oh, ah yeah

Tears of rain drops falling  
I can't help but calling your name  
Your name, it's insane, oh baby

If you.. knew how much my heart breaks  
(How much my heart breaks)  
You would forgive me of my stupid mistakes  
Girl, if you.. knew just how much I care  
You would allow me to shed, to shed one more tear  
I miss you so much more than I thought I would  
Even the bad, but most times they were good  
(Ooh, yeah, yeah)  
I'd turn back the hands of time if I could  
(I could, yeah)  
And treat you the way that a real man should  
Whoo, baby

Rain drops keep on falling  
And I can't help but calling your name  
Your name, I'm in pain, baby, baby

Tears of rain drops falling  
I can't help but calling your name  
Your name, it's insane

When rain drops come down, I fall again  
And I can't believe [?]  
And now you're not here, I often pretend  
The rain drops remind me of you  
Reminded of you

Oh baby, rain drops keep on falling  
And I can't help but calling your name  
Your name, your name, oh baby
