Chris Martin

Yes yes

See you having a good time out front right there  
Put your flags up  
Put your hands up  
If you're having a good time  
I wanna see, wanna see the lighters  
I wanna see the hands waving in the crowd right now

Now everybody say yeah (Yeah)  
From yuh feel good  
Don't mek dem bruk yuh vibes  
Hip hip hooray
