

# Yo!

Chris Martin

New me!

Hey!

Aha!

Hey hey hey hey hey

Dem say if you live inna glass house don't throw stone  
(Hear mi nuh, yeah)

Mi nuh fool fi drink no liquor and go pass out (yo)

Hold yuh hands if you a fling stone inna glass house (yo)

Watch the verbs dem weh yuh use up mankind so dark (yo)

Every action bread reaction yet the road cross (yo)

Criminals seeking stardom so the facemask low

Every human hustle different virtuos naw show

Body parts a expose the norm where should I go

Medical marijuana ease the pain so why grow

If the conversation toxic just let it right go (let it go)

Lately too much heroes so the villians dem a ride slow

Hydrochloric acid deadly yeah the pipe might blow

Jah gimmie the energy fi fight my foes (fighting fighting fighting)

Serendipity it show up so mi neva haffi search

Arrogancy have the youths dem crossed so why show dem a church

Nullify the binds in congression cause mystery is a curse

Why is it you showing love to the second not first

(Yow yow)

Wah fi we couldn't be fi dem, we nuh waan see dem

Rise above the negative pure positive we give dem (woi)

Moving on we moving up we moving forwards

Street side education sometimes better than fi harvard

Diamonds in the rough give dem

We nuh waan see dem

A walk around wid careless guns they know that is forbidden (woi)

Moving up we moving up we moving forwards (keep on moving)

Street side education sometimes better than fi harvard

Patriotic so mi medal pon mi uniform beam

Blame the shooter weh defer the great mlk dream

Conspiracy lead to charges so a gang is not a team

Biological mi routine no wear no man jeans

How mi pree scientific picture purple being green

Vitamin ensure the body modulates the creatine

Muscle mass it good jah just forgive me if me sin

Tell the war monger low the beef and try piece a chicken

If everybody bad is like a time bomb ticking

Flonase fi nasal congestion release the pressure now

Aloe vera medicine all ask the spot dem pon a cow

Unilateral decision rasta man just naw allow

If its not about the people handshake it is a crow

The laws of skepticism I and I know

Who no have no name already grafted as john doe

Wah fi we couldn't be fi dem, we nuh waan see dem

Rise above the negative pure positive we give dem (woi)

Moving on we moving up we moving forwards (moving forward)

Street side education sometimes better than fi harvard

Diamonds in the rough give dem

We nuh waan see dem

A walk around wid careless guns they know that is forbidden (woi)  
Moving up we moving up we moving forward (moving forward)  
Street side education sometimes better than fi harvard  
Oooo we moving forward  
Sometimes its better than harvard  
Street side education yes  
Street side knowledge, better than when you a go a college sometimes. (oooo  
right)
