

Cannot Relate

Chris Miles

I cannot relate to you no more
Told 'em I can't wait for you no more
So when I find my way, I'll stay down
I don't think I'll ever be the same now

Came thru on the wave
Stayed true from the gate
Looking death in the face
Want a hundred bands on my waist

Got this money by myself so imma spend it (racks, racks)
I was better off alone from the beginning
Swear I can never wife a bitch that's co-dependent
She don't want me for me
She just want to get all the attention
I don't wanna go outside cause ain't nobody get my vision
I'd just rather stay and hide till I'm fucking all they bitches, oh yea

I don't wanna go outside cause ain't nobody get my vision...
I just rather stay high till I'm fucking all these bitches
I don't wanna go outside cause ain't nobody get my vision...
I don't wanna go outside...

I cannot relate to you no more
Told 'em I can't wait for you no more
So when I find my way, I'll stay down
I don't think I'll ever be the same now

I cannot relate to you no more
Told 'em I can't wait for you no more
So when I find my way, I'll stay down
I don't think I'll ever be the same now

I don't think I'll ever be the same
Paranoia blowing up my brain
Woke up on a plane but this, smoke and drink make it go away
Living like there's no tomorrow
Living like there's no today
But y'all can't relate
Got a lot up on my plate
I ain't got no time to wait, no, no
They been tryna ride the wave
Surfboard gone break, ooh damn

Got this money by myself so imma spend it
I was better off alone from the beginning, yea

Now all I know is "get it"
I can't do this same old shit
I gotta fuck with something different
I won't let you hold me back no more
So I had to forget you
They said I don't understand you
What's the issue?

It's just I cannot relate to you no more
I can't fuck with two-faced bitches no more

I can't entertain no games witcha no more
Throw that bullshit at the door cause...

I cannot relate to you no more
Told em I can't wait for you no more
So when I find my way I don't stay down
I don't think I'll ever be the same

I cannot relate to you no more
Told em I can't wait for you no more
So when I find my way I don't stay down
I don't think I'll ever be the same now
