

To My Old Self

Chris Miles

Baby boy, where you been?
It's been a while since I've seen your face (Uh)
When I look in a mirror, it's like...

Baby boy, I miss you bad
The way that you never got attached
Mr Cold-Heart never show love to no one
Where you've been at?

We can ride around town in your Range Rov'
But the old me woudl've probably played it slow
Why'd you have to go and run from me?
When all you ever got was love from me

I, for you
There's nothing I won't do
For you to not forget 'bout me, I promise
Can you just remember me, my darling, tonight?
Love me the same way
Till it fucks up your brain ways
I promise
Can you just remember me, my darling, tonight?

Oh, Oh, Oh
Ah, Ah, Ah
Mhm, Mhm, Mhm...

Baby boy, where you been?
It's been a while since I've seen your face
When I look in a mirror, it's like...

Oh, Oh, Oh
Ah, Ah, Ah
Mhm, Mhm, Mhm...
