

# Elena

Chris Montez

Elena, you mean so much to me  
The way you kiss me, it's so heavenly  
The things you say, the things you do  
I know that I could never stop loving you

Elena, your lips are filled with love  
The way you smile, it's like the sun above  
You know I'd give my whole life to you  
And now I know you feel the same way too

When we're alone  
We're lost in a world of our own

Elena, you mean so much to me  
The way you kiss me, it's so heavenly  
The things you say, the things you do  
I know that I could never stop loving you
