

I'm Glad There Is You (In This World Of Ordinary People)

Chris Montez

In this world of ordinary people
Extraordinary people
I'm glad there is you
In this world of overrated pleasure
Of underrated treasures
I'm glad there is you

I live to love, I love to live
With you beside me
This role so new, I'll muddle through
With you to guide me

In this world where many, many play at love
And hardly any stay at love
I'm glad there is you
More than ever
I'm glad there is you

I live to love, I love to live
With you beside me
This role so new, I'll muddle through
With you to guide me

In this world where many, many play at love
And hardly any stay at love
I'm glad there is you
More than ever
I'm glad there is you

There's you, I'm glad there is you
There's you, there's you, I'm glad there is you
There's you, there's you, I'm glad there is you
There's you, there's you, I'm glad there is you
