

# Keep Talkin'

Chris Montez

Keep on talkin'  
I don't understand a word of what you're saying  
But I like the way we're dancing close together  
So who cares if there's no sense in what I hear

Keep on talkin'  
There's another kind of message you convey  
Go ahead and make with all your idle chatter  
What's a difference when you're standing, oh, so near

While you're acting out your part  
Love is captured in my heart

So keep talkin'  
I can feel the gentle rhythm as we're swaying  
Keep it up and try to make a big impression  
'Cause your voice is pretty music to my ears

While you're acting out your part  
Love is captured in my heart

So keep talkin'  
I can feel the gentle rhythm as we're swaying  
Keep it up and try to make a big impression  
'Cause your voice is pretty music to my ears

Keep talking, girl  
Keep talking, girl  
Keep talking, girl  
Keep talking, girl
