

On A Clear Day (You Can See Forever)

Chris Montez

On a clear day
Rise and look around you
And you'll see who you are
On a clear day
How it will astound you
That the glow of your being
Outshines every star

You'll feel part of every mountain
Sea and shore
You can hear
From far and near
A word you've never, never heard before
And on a clear day
You can see forever
And ever
And ever
And ever more
