

Scalliwag

Chris Montez

No long, no time, no sure for long
No ya no more, no gypsy yo
No lucky - luck lubbel, lucky febber
Long time for us swear I did it

Who's gonna the scalliwag, long time
For gypsy yo, aha, yo
Makes me good, no scalliwag

Supersonic makes feel good
The horses and cats and dogs makes too
No gypsy yo, scalliwager
