

# Got It All

Chris Norman

Putting on your dancing shoes  
The night is young and no time to lose  
The music plays and the feelings strong  
So come on baby, we can't go wrong

The party's on and we feel all right  
We're gonna have some fun tonight  
So come on over here, and don't you be afraid  
Just get up on your feet, and throw your cares away

I got my dancing, I got my rhythm  
I got my pockets full of life, I know I know  
I got my music and I'm so soulful  
I know I know, I got it all  
Yeah-eah, yeah

Let a smile light up your face  
Gonna have some dancing days  
You move so fine and you look so good  
There's a fire burning in the neighbourhood

Everybody is on the street  
See them shaking to the beat  
Come on over here, there's something in the air  
If you can't come around, you're not really anywhere

I got my dancing, I got my rhythm  
I got my pockets full of life, I know I know  
I got my music and I'm so soulful  
I know I know, I got it all

I got it all (yeah yeah yeah )  
You got it all (baby baby baby)  
We got it all  
I know, you know, we know (everybody knows)

We got our dancing, we got our rhythm  
We got our pockets full of life, you know you know  
We got our music and we're so soulful  
You know, you know...

We got our dancing (yeah, yeah)  
We got our rhythm (woah, oh)  
We got our pockets full of life, you know you know  
(You know, you know, you know)  
We got our music and we're so soulful  
You know you know, we got it all
