

# Run

Chris Norman

I'll sing it one last time for you  
Then we really have to go  
You've been the only thing that's right  
In all I've done

And I can barely look at you  
But every single time I do  
I know we'll make it anywhere  
Away from here

Light up, light up  
As if you had a choice  
Even if you cannot hear my voice  
I'll be right beside you, dear  
Oh, oh

To think I might not see those eyes  
Makes it so hard not to cry  
And as we say our long goodbye  
I nearly do

Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you, dear  
Oh, oh  
Louder, louder  
And we'll run for our lives  
I can hardly speak, I understand  
Why you can't raise your voice to say  
Mm, yeah

Oh  
Oh, yeah  
Oh, oh  
Yeah, oh

Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you, dear  
Mm, oh  
Louder, louder  
And we'll run for our lives  
I can hardly speak, and I understand  
Why you can't raise your voice to say  
Oh, oh

Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you, dear
