

## Running Scared

Chris Norman

Running scared 'cause I'm losing your love  
And I dared to get used to your love  
Now it's gone, what can I do?  
If you go I don't know what I'll do

Don't you know that I'm crazy for you?  
I'm so afraid and I feel so blue  
I'm running scared (Running scared)  
Oho, I'm running scared

I thought I found the perfect love  
You were everything I dreamed of  
But the feeling's dying day by day  
And I just stand and watch you slipping away (Oho)

Running scared 'cause I'm losing your love  
And I dared to get used to your love  
Now it's gone, what can I do?  
If you go I don't know what I'll do

Don't you know that I'm crazy for you?  
I'm so afraid and I feel so blue  
I'm running scared (Running scared)  
Oho, I'm running scared (Oho, yeah)

It's some things you just can hide  
When you turn away, I die inside  
Now you don't want me like you used to do  
And I see it in your eyes when I reach out for you (Darling)

Running scared 'cause I'm losing your love  
And I dared to get used to your love  
Now it's gone, what can I do?  
If you go I don't know what I'll do

Don't you know that I'm crazy for you?  
I'm so afraid and I feel so blue  
I'm running scared (Running scared)  
Oho, I'm running scared (Babe)

Oho, I'm running scared!
