

# Break Another Piece Of My Heart

Chris Rea

Girl you're driving me crazy  
Girl you're making me blue  
Why do you give me such a run-around  
Oh babe what am I gonna do  
Cos when I think it's all over  
Past and gone  
We're gonna make a new start  
There you go  
Break another piece of my heart

All our friends want to know  
They all want to know the reason why  
You say we're made for each other  
That there'll never be another  
Then you make me cry  
Cos when I think it's all over  
Past and gone  
We're gonna make a new start  
There you go  
Break another piece of my heart  
Oh there you go  
Break another piece of my heart

Now I don't want anybody else but you  
And my love is so straight and true  
But every promise that you make  
Is a promise that you break  
I don't know what I'm gonna do  
There you go  
Break another piece of my heart  
Break another piece of my heart  
Now I don't want anybody else but you  
But when I think we got a brand new start  
There you go  
Break another piece of my heart  
There you go  
Break another piece of my heart
