

Cleveland Calling

Chris Rea

Passion falls down to the ground
Instead of to pray
So, what's new?
Well, not more than truth
Will it go again?

I was in there, you can tell
I would hold that shoot
I will go to Cleveland
We gonna have one stay night joke
Cleveland calls, and we go

Passion than on our ground
No more, no less
Stand upon and your river dies
I'll do your best

Sancho, Kanchan - each can flee
Pursued on a line
I will go to Cleveland
We gonna have one stay night joke
Cleveland calls, and we go

Put away out fabric straps
Another day was that
Funny, we do not know who you are
We believe in what you say

So many times
You changed your mind
When we called for you
I will go to Cleveland
We gonna have one stay night joke
Cleveland calls, and we go
Cleveland calls, and we go
Cleveland calls, and we go
Cleveland calls
Cleveland calls
