

Got To Be Moving On

Chris Rea

Somebody told me
Something better down that way
So don't try to hold me
'Cause all I got to say is "Can't stay"

Gotta be movin'
I gotta be movin' on
Oh, I gotta be
I got to be movin' on

Next time you look around
You may find me gone
I gotta be
Got to be movin' on

Free
Nothing can hold me down
What you loving is what you've found
Don't try to change it

Somebody told me
Something better down that way
So don't try to hold me
'Cause all I got to say "Can't stay"

I got to be
Got to be movin' on
Got to be movin' on
Movin' on

Next time you look around
You may find me gone
Got to be movin'
Got to be movin' on

Whenever you see me
You'll know me by this song
'Cause I gotta be
I gotta be movin' on, movin' on
