

GTO Blues

Chris Rea

Oh when I die and I get to heaven
There is one way I will know
There'll be a tall good looking woman
Standing by a GTO

I read the books, I heard the story
Being a fixture for long ago
I travelled lot in time forever
She's standing by a GTO

So when I'm down and feeling lonely
I close my eyes and I let it go
I see that tall good looking woman
She is standing by the GTO yeah
Standing by the GTO yeah yeah...
