

## Hip-Sway

Chris Rea

Ain't got no time  
For trouble talk  
Life is too damned bad  
You got to move it on up  
Sometimes you got to fell glad  
What I see  
What I say  
I call it hip sway

Sometimes you got yo let go  
Come on and have some fun  
Oh you can't hold back  
Now your working's done  
Oh let's start walking  
Let your body do the talking  
Call it hip sway

Babe you got to make up some time  
Come on move a little closer to me  
I sure want your love to be mine  
Cos I know what your doing to me  
Oh yeah  
I got to hip sway  
Well, yeah got to hip sway

Well, hip sway

Babe you got to make up some time  
Come on move a little closer to me  
I got something special for you  
Stop you feeling so sad and lonely  
Mmm well go on hip sway  
We're gonna hip sway  
Hip sway  
You got to have some fun sometime  
I call it hip sway
