

If I Ever Break Free

Chris Rea

Take me down to where the river flows
Push me out, baby, and just let me go
Driftin' on past those troubled shores
There I have seen so many times before
Into the high tide and out to the sea
Ain't nobody out there gonna catch me
If I, if I ever break, if I ever break, if I ever break free

Oh, Black Cross ain't nobody want me
Well, man I get a kick from your society
High on the airwaves just siftin' that breeze
Watching everybody down there tryin' to break free
Ain't never over and it ain't never too late
'Till someone leaves that key in the end of those gates
I'm gonna shoo, shoo, shoo, yeah, if I ever break
(Shoo, shoo, shoo, yeah) Break free

Ain't never over, it ain't never too late
'Till someone's gonna leave that key in the? of love's gate
I'm gonna shoo, shoo, shoo, yeah
Shoo, shoo, shoo, yeah
Shoo, shoo, shoo, darling, yeah, yeah
If I ever break free, hmm
If I ever break free
If I ever break free

If I ever break free, ah ah ah
If I ever break free
If I ever
If I ever break, hmm, free
Hmm, yeah, yeah, yeah, yeah, ain't nobody gonna catch me
If I ever break free
