

# Moving On

Chris Rea

Well, somebody told me  
Something better done that way  
So, don't try to hold me  
'Cause all I got to say is  
Can't stay

Gotta be movin'  
I gotta be movin'  
Oh, I gotta be  
I got to be movin' on  
Next time you look around  
You may find me gone  
I gotta be  
I got to be movin' on

Free  
Nothing can hold me down  
And if loving is what you've found  
Don't try to change it

I got to be  
Got to be movin' on  
I gotta be  
Got to be movin' on  
Movin' on  
Whenever you see me  
You'll know me by this song  
'Cause I gotta be  
I gotta be movin' on

Free  
I got to be movin' on  
Wherever it takes me  
Wherever it goes

I gotta be  
I got to be movin' on  
Yeah, I gotta be  
I got to be movin' on  
Movin' on

Got to be movin' on  
I got to be movin' on  
So much learnin'  
So much to see  
Yesterday gone for ever  
Tomorrow is free  
So I got to be movin' on

Got to be movin' on  
I gotta be  
Got to be movin' on  
Got to be movin' on  
Got to be movin' on  
Got to be movin' on  
Got to be movin' on
