

# Blessed Are Those Who Follow You

Chris Renzema

Blessed are the poor  
For theirs is the Kingdom  
And blessed are those who mourn  
For You're right there beside them  
And blessed are the meek  
For the earth is theirs  
And blessed are those who seek  
For You will find them here  
You'll find them here

Are you feeling tired?  
Are you feeling worn?  
Well, hallelujah, His table's set  
With the meek and the poor  
Are you feeling weary?  
You wanna be reborn?  
Well, just keep on pressing through  
'Cause Jesus, blessed are those who follow You

Blessed are the kind  
For kindness they'll be shown  
Blessed are the pure in heart  
For by You they'll be known  
And blessed are the peaceful  
For You call them Your child  
And blessed are the hard-pressed  
'Cause like diamonds, they will shine  
They will shine

Are you feeling tired?  
Are you feeling worn?  
Well, hallelujah, His table's set  
With the meek and the poor  
Are you feeling weary?  
You wanna be reborn?  
Well, just keep on pressing through  
'Cause Jesus, blessed are those who follow You
