

# I Need A Hero

Chris Rice

Was I the only one to notice  
That human nature doesn't work that way  
They tell me if I look deep inside me  
That I can find my own way  
I only find a rebel and a fool there  
Who won't admit that he's afraid  
I thought I was holdin' on to freedom  
But locked my soul up in chains

I need a hero  
Who'll dare to find me  
Fly to my rescue  
And crash through the wall  
Announce my freedom  
Bring me to my senses  
Gather me into his strong arms  
And carry me off to safety

What is this talk about a Savior  
Well does he listen, is he even there?  
And should I be asking him directly?  
But why should he consider my prayer?  
Well, I don't quite know how to do this  
But Jesus, I can't save myself  
So here I go calling out for mercy  
And crying out for your help  
(So if you hear me)

I need a hero  
Please dare to find me  
Fly to my rescue  
And crash through the wall  
Announce my freedom  
Bring me to my senses  
Gather me into your strong arms  
And carry me off
