

## Missin' You/Cartoons

Chris Rice

I heard about the day You went away  
You said You had to go prepare a place  
And even though I've never seen Your face  
I'm missin' You  
I lie awake tonight and I watch the sky  
And I wish it didn't have to be so high  
Cause I'm belonging on the other side  
And I'm missin' You

Cause somewhere behind those stars  
Is someone who belongs to me  
And I know in my deepest heart  
There's a place for You  
Until I find the place You made for me  
But still I'm missin' You

I dream about Your promise to return  
And I wake up hangin' on Your every word  
But for now my feet are planted here on earth  
So I'm missin' You  
And even while they say that I'm a fool  
I know you see me waiting here for You  
Oh, and prayin' that somehow you'll get here soon  
Cause I'm missin' You

Cause somewhere behind those stars  
Is someone who belongs to me  
And I know in my deepest heart  
There's a place for You  
Until I find the place You made for me  
But still I'm missin' You  
Oh, I'm missin' You  
Lord, I'm missin' You

I was thinkin' the other day  
"What if cartoons got saved?  
They'd start singing praise  
In a whole new way"

Yeah, I was thinkin' the other day  
"What if cartoons got saved?  
They'd start singing praise  
In a whole new way", yeah yeah

Fred and Wilma Flintstone  
Sing, "Yabba dabba do yah"  
Scooby Doo and Shaggy  
"Scooby dooby doo yah"  
And the Jetsons' dog named Astro  
"Rough rough roo yah"

'Cause, I was thinkin' the other day  
"What if cartoons got saved?  
They'd start singing praise  
In a whole new way", yeah yeah

Teenage Mutant Ninja Turtles

"Cowabunga loo yah, dude"  
Then there's, Kermit the Frog here, singing  
"High ho le loo yah"  
And that little bald guy, Elmer Fudd  
"How ay woo yah"

'Cause, I was thinkin' the other day  
"What if cartoons got saved?  
They'd start singing praise  
In a whole new way"

Oh, that big old moose and his friend Rocky  
"Bullwinkle loo yah"  
And our favourite bear named Yogi  
"Hey, boo boo boo loo ya"  
Then there's all those little blue guys  
And they'd sing, "Hah la la la la la la la lay loo yah"  
How about Beavis and that other guy?  
"Nah"

Now, there's a point to this looney tune  
I'm not an Anamaniac  
But there's a lot of praisin' to do  
And cartoons were made for that  
It's our God, yeah yeah yeah  
So, let's sing Hallelujah...
