

# Cincinnati

Chris Staples

Cincinnati where's your smile  
Your downtown has been frowning for a little while  
Cincinnati where is your heart

It's still beating  
It's still beating  
It's still beating

It's still beating  
It's still beating  
It's still beating

Cincinnati is it true  
You grew up tall in an 1800s boom  
Cincinnati is it true  
Nobody knew it but you

And you're just like me  
Cause I want to begin again  
And you're just like me  
Cause I've seen better days before  
And you're just like me  
Cause I'm all boarded up like you  
Is it true  
Is it true

Is it true  
Is it true

Is it true  
Is it true
