

# Hold Onto Something

Chris Staples

Well I told you everything that I could tell  
But I guess I got a couple words  
That I have to take with me to hell

Well what do you expect a man like me to do

Gotta hold onto something  
If I can't hold on to you

Gotta hold onto something  
If I can't hold on to you

Gotta hold onto something  
If I can't hold on to you

Gotta hold onto something  
If I can't hold on to you

Well some things are made for breaking  
Soon enough they broke  
Settling down into the dust  
Going up in smoke

Well what do you expect a man like me to do

Gotta hold onto something  
If I can't hold on to you

Gotta hold onto something  
If I can't hold on to you

Gotta hold onto something  
If I can't hold on to you

Gotta hold onto something  
If I can't hold on to you
