

# Starting Over

Chris Stapleton

Well the road rolls out like a welcome mat  
To a better place than the one we're at  
And I ain't got no kinda plan  
But I've had all of this town I can stand  
And I got friends out on the coast  
We can jump in the water and see what floats  
We've been saving for a rainy day  
Let's beat the storm and be on our way

It don't matter to me  
Wherever we are is where I wanna be  
And, honey, for once in our life  
Let's take our chances and roll the dice  
I can be your lucky penny, you can be my four-leaf clover  
Starting over

This might not be an easy time  
There's rivers to cross and hills to climb  
Some days we might fall apart  
And some nights might feel cold and dark  
When nobody wins afraid of losing  
And the hard roads are the ones worth choosing  
Some day we'll look back and smile  
And know it was worth every mile

It don't matter to me  
Wherever we are is where I wanna be  
And, honey, for once in our life  
Let's take our chances and roll the dice  
I can be your lucky penny, you can be my four-leaf clover
