Think I'm In Love With You

Chris Stapleton

```
Baby, do you ever wonder
Whatever happened way back when
Or if I'll see you again
And maybe if you ever wonder
Aw, you might wish things could change
I know this might sound strange but

I think I'm in love with you
I didn't know it at the time
I know what I want to do
It's making me lose my mind
I thought about thinking it through
And every time I do I find
I wanna make your dreams come true
I think I'm in love with you
I'm in love with you

You are the power over me
You are the truth that I believe
You are my life, you are my world
You are the air I'm breathing, girl
You are the light I want to see
You're all of everything to me
You are the reasons that I am
Woman

I think I'm in love with you
I didn't know it at the time
I know what I want to do
It's making me lose my mind
I thought about thinking it through
And every time I do I find
I wanna make your dreams come true
I think I'm in love with you

I think I'm in love with you
I didn't know it at the time
I know what I want to do
It's making me lose my mind, girl
I thought about thinking it through
And every time I do I find
I wanna make your dreams come true
I think I'm in love with you

Oh I think I'm in love with you
I didn't know it at the time
I know what I want to do
It's making me lose my mind, girl
I thought about thinking it through
And every time I do I find
I wanna make your dreams come true
I think I'm in love with you
I'm in love with you

I think I'm in love with you
I think I'm in love with you
I think I'm in love with you
```

```
I think I'm in love with you
I think I'm in love with you
I think I'm in love with you
```

```
I think I'm in love with you
I think I'm in love with you
I think I'm in love with you
```
