

Be Glorified

Chris Tomlin

Oh yeah
Yeah

Your love has captured me
Your grace has set me free
Your life the air I breathe
Be glorified in me

Your love has captured me
Your grace has set me free
Your life the air I breathe
Be glorified in me

You set my feet to dancing, You set my heart on fire
In the presence of a thousand kings, You are my one desire
And I stand before You now with trembling hands lifted high
Be glorified
Be glorified

Your love has captured me
Your grace has set me free
Your life the air I breathe
Be glorified in me

You set my feet to dancing, You set my heart on fire
In the presence of a thousand kings, You are my one desire
And I stand before You now with trembling hands lifted high
Be lifted high

You set my feet to dancing, You set my heart on fire
In the presence of a thousand kings, You are my one desire
And I stand before You now with trembling hands lifted high
Be glorified

Be glorified in me, be glorified in me
Be glorified in me, be glorified

You set my feet to dancing, You set my heart on fire
In the presence of a thousand kings, You are my one desire
And I stand before You now with trembling hands lifted high
Lifted high
Lifted high

You set my feet to dancing, You set my heart on fire
In the presence of a thousand kings, You are my one desire
And I stand before You now with trembling hands lifted high
Be glorified, be glorified
Be glorified
