

Forever Young

Chris Tomlin

There's a river that runs wild and free
You're the river God inside of me
I am born again, I'm saved by love
O my soul
In Your presence I'm forever young

Everlasting God from age to age
A thousand years with You is like a day
I believe there's greater things to come
O my soul
In Your presence I'm forever young

You rain rivers in my soul
You are the fire in my bones
Jesus, You rain rivers in my soul
In Your presence I'm forever young

Soon this world will surely pass away
Your eternal blood runs through my veins
With my final breath I'll sing Your song
Praise the Lord
In Your presence I'm forever young

You rain rivers in my soul
You are the fire in my bones
Jesus, You rain rivers in my soul
In Your presence I'm forever young

You rain rivers in my soul
You are the fire in my bones
Jesus, You rain rivers in my soul
In Your presence I'm forever young...
