You're the God of this City You're the King of these people You're the Lord of this nation You are

You're the Light in this darkness You're the Hope to the hopeless You're the Peace to the restless You are

There is no one like our God There is no one like our God

For greater things have yet to come
And greater things are still to be done in this City
Greater thing have yet to come
And greater things are still to be done in this City

You're the God of this City You're the King of these people You're the Lord of this nation You are

You're the Light in this darkness You're the Hope to the hopeless You're the Peace to the restless You are

There is no one like our God There is no one like our God

For greater things have yet to come
And greater things are still to be done in this City
Greater things have yet to come
And greater things are still to be done here

There is no one like our god There is no one like our God

Greater things have yet to come
And greater things are still to be done in this City
Greater things have yet to come
And greater things are still to be done here
