

# No Chains on Me

Chris Tomlin

This is the dream  
A dream for the world to see You  
A dream for the world to know You  
To love Your name

Lift up a shout  
Lift up a cry to shake the ground  
Shout and the walls are coming down  
Yeah, we're running after You

Like a rolling stone, like a runaway train  
No turning back, no more yesterdays  
My heart is free, no chains on me

God, You raise me up, up from the grave  
With the cross before, I'm on my way  
My heart is free, no chains on me

Now is the time  
Now is the time for freedom  
Abandoned by cold religion  
My heart on fire

We hear the sound  
The sound of revival coming  
The sound of Your people rising  
Yeah, we're running after You

Like a rolling stone, like a runaway train  
No turning back, no more yesterdays  
My heart is free, no chains on me

God, You raise me up, up from the grave  
With the cross before, I'm on my way  
My heart is free, no chains on me

The walls are coming down  
The walls are coming down  
The walls are coming down  
The walls are coming down  
Yeah, the walls are coming down  
The walls are coming down

Like a rolling stone, like a runaway train  
No turning back, no more yesterdays  
My heart is free, no chains on me

God, You raise me up, up from the grave  
With the cross before, I'm on my way  
My heart is free, no chains on me

I got no chains on me  
I got no chains on me  
And my heart is free
