

# Perfect Light

Chris Tomlin

Across the desert  
Wrapped in scarves  
One is brighter  
In a chandelier of stars  
Tired and lonely  
Over miles of mountains and sand  
The prophets tell of a Baby  
He's born to save  
Like graffiti on our hearts  
The world will know His name  
Heaven like a highway exit sign  
Points to Bethlehem

Star of wonder  
Star of night  
Star with royal  
Beauty, bright  
Westward leading  
Still proceeding

Perfect Light

When they saw the Child  
They dropped to their knees  
The answer to a million prayers  
In a Newborn heartbeat  
And the words He would say  
Would be written in red  
And the gifts they've carried  
They lay at His feet  
In the eyes of Mary  
A tear runs down her cheek  
Jesus, the Messiah  
In a lowly manger bed

Star of wonder  
Star of night  
Star with royal  
Beauty, bright  
Westward leading

His anthems rings  
Through earth and skies  
Our King and God  
And Sacrifice  
Alleluia, Alleluia  
His anthems rings  
Through earth and skies  
Our King and God  
And Sacrifice

Alleluia, Alleluia
