

Reaching For You

Chris Tomlin

Jesus my Living Water
Name above all names
Lamb of God, New Life Giver
You conquered the grave

I don't have to wonder where my hope is coming from
I lift my hands for who You are and everything You've done

Oh
I know what I'm reaching for
I know what I'm reaching for
I'm reaching for You
I'm reaching for You

Oh
I know what I'm living for
I know what I'm living for
I'm living for You
I'm living for You
Ooh, yeah

Healer of broken people
You're never far away
I draw close, You draw closer
Meet me in this place

I don't have to wonder where my hope is coming from (Coming from)
I lift my hands for who You are and everything You've done (Everything you've done)

Oh
I know what I'm reaching for
I know what I'm reaching for
I'm reaching for You
I'm reaching for You

Oh
I know what I'm living for
I know what I'm living for
I'm living for You
I'm living for You
Whoa, oh
I'm living for You

There is freedom
Wherever You are
And I can see it
You're the light in the dark
You are
You are
You are, oh

There is power (Power)
When I say Your name
And I can feel it (Feel it)
'Cause You're breaking the chains
You are

You are
You are, oh

Oh
I know what I'm reaching for (What I'm reaching for)
I know what I'm reaching for
I'm reaching for You
I'm reaching for You

Oh
I know what I'm living for (I know what I'm living for)
I know what I'm living for
I'm living for You
I'm living for You

Oh
I know what I'm reaching for (What I'm reaching for)
I know what I'm reaching for
I'm reaching for You
I'm reaching for You

Oh
I know what I'm living for
I know what I'm living for
I'm living for You
I'm living for You
Oh
I know what I'm living for
I'm living for You
I know what I'm reaching for
Oh, I'm reaching for You
