

# Sing

Chris Tomlin

First thing in the morning till the end of the day  
There's a heavenly little melody to the rhythm of Your praise  
And I gave You my heart and something's different ever since  
I can't keep hallelujah off my lips, now

You make me wanna sing  
All about Your love  
Make me wanna tell the whole world what You've done  
How You turned my life around  
I was lost but now I'm found  
You're the song stuck inside my head all day  
Yeah, You make me wanna sing  
Sing  
Sing all about You  
Yeah, You make me wanna sing

Free as a free bird, faith like a child  
Your love is a river and that river's running wild  
People think I'm crazy for the way I'm acting lately  
That's true, I'm crazy 'bout You, and

You make me wanna sing  
All about Your love  
Make me wanna tell the whole world what You've done  
How You turned my life around  
I was lost but now I'm found  
You're the song stuck inside my head all day  
Yeah, You make me wanna sing  
Sing  
Sing all about You  
Yeah, You make me wanna sing

Oh, yes You do

I gave You my heart and something's different ever since  
I can't keep hallelujah off my lips, now

You make me wanna sing  
All about Your love  
Make me wanna tell the whole world what You've done  
How You turned my life around  
I was lost but now I'm found  
You're the song stuck inside my head all day  
Yeah, You make me wanna sing  
Sing  
Sing all about You  
Yeah, You make me wanna sing  
Sing  
Sing all about You  
Yeah, You make me wanna sing  
Yeah, You make me wanna sing  
Aww, yeah, you make me wanna sing
