

The Roar

Chris Tomlin

I waited for the Lord
He turned and heard my cry
His mercy opened up my eyes
When I couldn't see and my strength was failing me

I heard the roar of the lion of Judah
I heard the voice that calms the raging sea
He came to me, came to me
When I needed the Lord
I heard the roar of the lion of Judah

I waited for the Lord
He appeared in blinding light
He led me through the darkest night
When I couldn't see and my strength was failing me

I heard the roar of the lion of Judah
I heard the voice that calms the raging sea
He came to me, came to me
When I needed the Lord,
I heard the roar of the lion of Judah

I lifted my hands
He lifted me out
All praise to the Savior, all worship to God
With all that I am
With all in my heart
All praise to the Savior, all worship to God

I heard the roar of the lion of Judah
I heard the voice that calms the raging sea
He came to me, came to me
When I needed the Lord,
I heard the roar of the lion of Judah

You came to me, came to me
When I needed You, Lord
I heard the roar of the lion of Judah
I heard the roar of the lion of Judah
