

# Black Hearted Bride

Chris Trapper

## Verse 1

Here am I, hopelessly waving  
From the street, into your car  
You asked me how much love I've been savin'  
Lose the seatbelt, come see the stars

## Chorus

Here we are on a cliff tonight  
But I will wait 'till the time is right  
When all the cameras are out of sight  
Be my black hearted bride tonight  
Be my black hearted bride tonight  
Na na na na na na  
Na na na na na na

## Verse 2

Wish I could say I'll be here tomorrow  
And steal the hope right from your eyes  
But that would leave us both with a sorrow  
So I'm savin' face  
And stealin' time

## Chorus

Here we are on a cliff tonight  
But I will wait 'till the time is right  
When all the cameras are out of sight  
Be my black hearted bride tonight  
Be my black hearted bride tonight  
Na na na na na na  
Na na na na na na  
Na na na na na na  
Na na na na na na

## Verse 3

I never thought you'd catch me so off guard  
But the morning came  
You were the first to leave  
So I lay down and stared at the ceiling  
On the deck still lost at sea

## Chorus

Here we are on a cliff tonight  
But I will wait 'till the time is right  
When all the cameras are out of sight  
Be my black hearted bride tonight  
Be my black hearted bride tonight  
Na na na na na na  
Na na na na na na  
Na na na na na na  
Na na na na na na
