

## This Time

Chris Trapper

Tonight the sky above  
Reminds me how to love  
Walking through wintertime  
Where the stars all shine  
The angel on the stairs  
Will tell you I was there  
Under the front porch light  
On a mystery night

I've been sitting watching life pass from the sidelines  
Been waiting for a dream to seep in through my blinds  
I wondered what might happen if I left this all behind  
Would the wind be at my back? Could I get you off my mind

The neon lights in bars  
And headlights from the cars  
Have started a symphony  
Surrounding Me  
The things I left behind  
Have melted in my mind  
And now there's a purity  
Inside of me

I've been sitting watching life pass from the sidelines  
Been waiting for a dream to seep in through my blinds  
I wondered what might happen if I left this all behind  
Would the wind be at my back?  
Could I get you off my mind

I've been sitting watching life pass from the sidelines  
Been waiting for a dream to seep in through my blinds  
I wondered what might happen if I left this all behind  
Would the wind be at my back?  
Could I get you off my mind
